

NIRANJAN K

AI & ML Engineering Student

Phone	9019283698
Email	niranjn20069019@gmail.com
USN	1SP24AI026
College	S E A College of Engineering and Technology
Branch	Artificial Intelligence & Machine Learning
CGPA	8.9

Professional Summary

Motivated Artificial Intelligence & Machine Learning undergraduate with strong interest in software development, AI-powered web applications, and problem solving. Experienced in building practical projects using Python, Java, and modern web technologies. Passionate about creating innovative solutions with real-world impact.

Skills
Python
Java
AI-assisted Web Development
Problem Solving
Team Collaboration

Projects

SKILLBRIDGE – A website developed to solve the problem of rural student to upskill their industry level skills Through AI powered language translator and best video and notes provider platform..

ONCOLENS AI - A Ai powered early cancer detection system which accepts the body scans and analyse the Image to provide optimal solution and focused on medical based help for Doctors and patients ..

Education

B.E. in Artificial Intelligence & Machine Learning

S E A College of Engineering and Technology

Current CGPA: **8.9**
